Sir:

On July 25, 2000, a small entity assertion was **erroneously** filed in the above-captioned application. This assertion of small entity status in this application and the payment of fee(s) as a small entity was made in good faith. It has now been established that such status as a small entity was established in error in good faith, the Small Entity Box was incorrectly checked. In compliance with 37 C.F.R. § 1.28(c), the Applicant respectfully submits this deficiency paper for this application including, an itemized calculation of the deficiency owed, and payment of the deficiency owed.

Under 37 C.F.R. § 1.28(c)(2), the deficiency owed for each previous fee erroneously paid as a small entity is the difference between the current fee amount for other than a small entity, on the date the deficiency is paid in full, and the amount of the previously erroneously paid for a small entity. In compliance with 37 C.F.R. § 1.28(c)(2)(ii), the itemized calculation of the deficiency owed is as follows:
